

AMENDMENT-6

POLICY NO. 16

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF IRON

SUBJECT: Funding of Local Road Heavy Maintenance Projects

DATE REVISED: April 9, 2024

POLICY STATEMENT:

This is a summary/rewrite of Policy 16, Funding of Local Road Heavy Maintenance Projects, Amendments, and past actions.

It shall be the policy of the Board of County Road Commissioners of Iron County (Road Commission) that one hundred percent (100%) of the funding for any local road construction or heavy maintenance project shall be provided by non-Road Commission sources. The 100% cost shall be the actual cost of the project, including any and all Road Commission costs incurred in conjunction with the project.

In the event the funding for a local road construction or heavy maintenance project(s) is provided by a Township located within the County of Iron, both the nine percent (9%) administrative fee and engineering oversight costs shall be waived.

A deposit of fifty percent (50%) of the estimated total project cost shall be submitted to the Road Commission along with a Local Road Heavy Maintenance Agreement prior to any work beginning by the Road Commission or the award of work to an accepted low bidder.
